# BRYCCS TEAM TRIALS

We are running a fun competition to select members for our 2010/11 BRYCS Club. The club was originally set up to train climbers wishing to compete in the British Regional Youth Climbing Series (now just YCS) and has seen a lot of success over the years with many of Britain's top climbers taking part in its training programmes.

The competition is aimed to first of all be fun and informative, but will also allow us to select up and coming competition climbers that will benefit from the training we offer.

There will be a small introduction about the BRYCS club and then onwards to arena for some climbing.

All climbers will be responsible for bringing their own equipment including harness, shoes and helmet (if worn). Tiso hire shop will be available.

**Saturday 3<sup>rd</sup> July 2010**  
**10am till approx 4pm**  
**£10 per entry**
